### Explanatory Notes

**Application ID:** provided automatically by the application system

**Name:** the name assigned by the applicant

**Date received:** the date on which application parts A and B are successfully uploaded to the application system

Status will be indicated as one of the following:

**Under Evaluation:** meaning application received and with SEAI for decision

**Approved and offered:** meaning SEAI has fully approved the application and requested the remaining documents from applicant so project can commence

**Committed:** all documents are in place and applicant has accepted the grant offer

**Evaluation Suspended:** Insufficient details SEAI are awaiting clarifications or suspended pending budget

**Unsuccessful:** project evaluation was unsuccessful, applicant may revise or resubmit

Applicants will be able to see from the date received / decision dates if their application falls within typical approval cycles.
