

## Identify - 2.2 Stakeholder analysis (grid map)

Consider the influence and interest of the stakeholders listed below and assign them to each of the groupings indicated in the chart, Sleepers, Potential blockers, Preachers and Champions. Some stakeholders may fit between two groupings. Make sure to add any additional stakeholders from your organisation. This exercise can be done on a flip chart with input from the Energy team.

### Internal to the organisation

CEO  
 Management board  
 Finance  
 Human resources  
 Health and safety personnel  
 Transport drivers  
 General employees  
 Additional stakeholders  
 Additional stakeholders

### External to the organisation

Suppliers and contractors  
 Trade Unions  
 Energy suppliers  
 Local media  
 SEAI  
 Citizens/communities  
 NGOs  
 Additional stakeholders
