SEAI invites applications from suitably qualified candidates for this role. Full details of the role and how to apply are set out in this booklet.

Candidates should note that entry will be at the minimum of the salary scale and the rate of remuneration, including incremental progression, will not be subject to negotiation and may be adjusted from time to time in line with Government pay policy. Different terms and conditions may apply if you are currently a serving civil or public servant.

Canvassing will disqualify
THE POSITION

Title of Position: Programme Manager – Commercial Retrofit

Job Ref: SEAI/2021/DS.20

Tenure: 5-year fixed term contract

Office: SEAI Head Office, 3 Park Place, Hatch Street Upper, Dublin 2, D02 FX65, Ireland

Location: Dublin

Organisation Website: http://www.seai.ie/

The Sustainable Energy Authority of Ireland (SEAI) was established as Ireland's national energy authority under the Sustainable Energy Act 2002. SEAI's mission is to play a leading role in transforming Ireland into a society based on sustainable energy structures, technologies and practices.

Reporting to the Department of the Environment, Climate and Communications. SEAI is responsible for an annual budget of circa €350m.

To fulfil this mission SEAI aims to provide well-timed and informed advice to Government, and deliver a range of programmes efficiently and effectively, while engaging and motivating a wide range of stakeholders and showing continuing flexibility and innovation in all activities. SEAI's actions will help advance Ireland to the vanguard of the global green technology movement, so that Ireland is recognised as a pioneer in the move to decarbonised energy systems.

What do we do?
The SEAI’s mission is to play a leading role in transforming Ireland into a society based on sustainable energy structures, technologies and practices.

The Sustainable Energy Authority of Ireland manages programmes aimed at:

- Supporting Government decision-making through advocacy, analysis and evidence
- Driving demand reduction and providing advice to all users of energy
- Driving the decarbonisation of energy supply
- Raising standards in sustainable energy products and services
- Building markets based on quality, confidence and proven performance
- Fostering innovation and entrepreneurship
- Improving the coherence of Irish energy research and development

Business and Public Sector Department

Business and public sector have a key role in meeting Ireland’s energy efficiency and emissions targets. These sectors collectively account for up to €3bn of Ireland’s energy spend and this department within SEAI are at the core of supporting business energy efficiency in Ireland, fostering long-term relationships with public and private sector organisations and supporting their efforts to become more energy efficient and decarbonise their activities.
Our goal is to enable organisations to successfully take control and reduce their energy usage, through a range of activities centred on analysis, economics, networking, training, promotion of best practice, and support for structured energy management and energy retrofit delivery.

The department is structured across sectors: namely SME, Industry and Public Sector. We are the key relationship managers for business energy efficiency, accounting for up to 60% of total primary energy consumption in Ireland. The department is a key enabler of the Irish energy transition by assisting organisations accelerate the adoption of energy efficiency practices, delivering a range of programmes and supports, reporting on progress to targets, and as such enable wider government support to business.

THE ROLE PROFILE

This position will play a key role in the Business and Public Sector Department. As Programme Manager – Commercial Retrofit you will also provide project support to the overall work of the SEAI and will be expected to work closely with other Departments and programmes.

The Irish Government has set ambitious energy efficiency and emissions reduction targets, and SEAI are a key agency for supporting the achievement of these targets. A key element of these targets is a requirement for one third of all commercial buildings in Ireland to achieve a Building Energy Rating (BER) of B by 2030. There are also significant ambitions in Ireland’s latest Long-Term Renovation Strategy (LTRS). The role of Programme Manager – Commercial Retrofit will be central to the achievement of state targets in the built environment. The successful candidate will lead the development of a commercial retrofit strategy considering existing and new SEAI supports, market development and engagement, and solutions to technical and non-technical barriers to support a scaling of commercial retrofit activity in Ireland in the next decade. This may include supports for deep retrofit and renewable heat, support of commercial advisory reports/audits, development and supporting new standards and codes of practice, development and support of best practice training, guides, and multimedia case studies. A key part of the role will be engaging with the Department of the Environment, Climate and Communications (DECC) on the development and implementation of new policies and regulations to drive retrofit uptake in the sector.

While the focus of this role will be on the commercial sector, there will be significant engagement and collaboration with our public sector retrofit workstreams in the Business and Public Sector department and with other programmes supporting commercial retrofit.

**Key Functions of the role of the Programme Manager**

The key responsibilities of the Programme Manager – Commercial Retrofit will include but are not limited to the following:

- Establish, lead, and manage a new programme in SEAI, responsible for development, coordination, and delivery of an overall strategy for driving low carbon commercial retrofit in the business sector.
- Work closely and in consultation with team members in the Business and Public Sector Department and Heads of Departments / Programme Managers across SEAI.
- Review of existing and forthcoming policies, legislation, targets, and SEAI supports (including best practice, market and supply chain engagement, and grant supports) to develop a baseline assessment of the current commercial retrofit landscape.
Develop, with inputs from SEAI, DECC and other stakeholders a revised strategy for commercial retrofit, building the required resources, supports and structures within SEAI to support the objectives of the strategy.

Consult with relevant sectors as well as service providers and energy service companies to identify barriers to the adoption of energy efficient and low carbon technologies and solutions in the commercial sector.

Evaluate and support the future approach to commercial microgeneration deployment, as part of an overall commercial retrofit strategy.

Support SEAI in providing key advice to DECC and other relevant government departments in the formulation, assessment and delivery of commercial retrofit policy and regulatory measures.

Manage the ongoing design, development, and implementation of specific programmes / supports in response to sector demands and policy requirements. Supports should be specifically tailored and targeted at specific sectors and stakeholders, for example commercial landlords, SMEs, professional services companies etc.

Oversee the development and operation of technical trials as appropriate with a view to identifying robust packaged solutions of measures to roll out at scale in the commercial retrofit sector.

Play a key role as subject matter expert on a national level, inputting into national initiatives, working groups, standards, and guidance development.

Work closely with SEAI colleagues across the Business and Public Sector Department and other Departments to collaborate and share knowledge and approaches with a view to developing a shared approach to commercial retrofit.

Assist the Head of Business and Public Sector in ensuring that SEAI are effectively supporting commercial retrofit at scale in line with government objectives and targets.

The functions and responsibilities assigned to this role are based on the current requirements stated above and may be changed from time to time. The candidate appointed to this role requires flexibility to fulfil other responsibilities across the Business and Public Sector Department.

To ensure that activity peaks within the Business and Public Sector Department (e.g. during year end and grant cycle peaks) are addressed in a proactive manner, it is expected that the candidate appointed to this role will need to be flexible in terms of working hours during these periods.

**Key Knowledge and Skills**

The knowledge and skills required include but are not limited to the following:

- Strategic understanding of energy issues as they relate to commercial/non-domestic building retrofit.
- Experience in the design, specification, procurement, or project management of high performing buildings.
- Familiarity with Energy Efficient Design principles and their relationships with both design energy performance and operational energy performance of buildings.
- Understanding of renewable energy technologies in the built environment including heat pumps, biomass heating systems, and microgeneration.
- Understanding of new and emerging best practices and solutions in building retrofit and how they can be adopted and implemented appropriately.
- Strong technical background and understanding of the technical challenges associated with practical implementation of energy efficiency and retrofit projects.
- Market understanding of building construction and retrofit in Ireland.
• Ability to build positive working relationships and to network effectively.
• Strong team management and project management skills within a multidisciplinary environment.
• Innovative and proactive approach to problem solving and delivery.
• Management of third-party providers for delivery of outsourced services.
• The role is team-based, and teamwork and cooperation with others are crucial.
• Proven project/programme management and effectiveness in heading up, managing and mentoring teams and demonstrated ability to delivery projects end to end.
• A proven proactive approach to achieving results, including managing scope, time, risk assessment, cost, and quality.
• Excellent management and organisational skills.
• Strong analytical, problem-solving and interpretive skills with an ability to think strategically and use sound judgement on complex issues.
• Excellent written and oral communication skills and ability to represent SEAI in a public forum.
• A capacity to build positive working relationship with colleagues and external stakeholders; to work in multi-disciplinary teams and to network effectively.
• Ability to multitask, manage competing demands and work effectively to deadlines.
• Ability to work on own initiative.
• Well-developed IT skills.

GRADE LEVEL E – SKILLS & COMPETENCIES

At interview, candidates should demonstrate the ability to carry out successfully the duties of the role, as well as the general skills and competencies required at Level E grade. The key competencies that have been developed for roles at this grade level are as follows;

Each of the key competencies is supported by a list of key performance indicators which are available [here](https://publicjobs.ie) on publicjobs.ie.
Experience and Personal Qualities Required

Essential Requirements

The successful candidate must be able to demonstrate;

• Degree in or Post Graduate qualification in architecture, civil/ construction engineering, construction technology, mechanical/ electrical/building services engineering or equivalent.
• A minimum of eight years' work experience in a related discipline. May include post graduate studies.
• Knowledge and experience of energy technologies in buildings.

Desirable Requirements

• Foundational technical skills at either undergraduate or postgraduate level containing building physics/ building science/ building services as a significant module.
• Experience in strategic analysis and the development and implantation of new delivery strategies in business or public sector.
• Knowledge/experience of working in the construction or commercial/non-domestic retrofit sector.

There may be a requirement for the successful candidate to further develop specialist knowledge and expertise relevant to the role. Training will be encouraged (formal and informal) and supported where required.

REPORTING AND WORKING RELATIONSHIPS

The Programme Manager – Commercial Retrofit will report to the Head of Business and Public Sector or his/her nominee.

SHORTLISTING

A shortlisting exercise will be employed when assessing eligibility of applications. Eligible applications will be shortlisted according to how well the experience and skills as described by applicants match the requirements of the role of Programme Manager – Commercial Retrofit as outlined above.

The criteria for the shortlisting exercise will be based on the information as outlined in this Information Booklet. It is important that applicants consider the information contained in this Information Booklet in presenting and demonstrating their relevant qualification, skills and experience in their Application.

The candidates whose applications, in the opinion of the shortlisting panel, appear best suited to the position will be shortlisted for interview.

INTERVIEW

Shortlisted applicants will be invited to attend for an interview, which will include a competency-based interview, a presentation on a topic of relevance to the role and/ or other
such assessment methods as deemed appropriate. The SEAI reserves the right to invite candidates to a second-round interview and to undergo further assessment, including the use of psychometric assessment if so required.

Please note, Interviews may take place over video-conference or other remote technology where appropriate.

Prior to recommending any candidate for appointment to this position, SEAI will make all such enquiries that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed, a final determination cannot be made, nor can it be deemed or inferred that such a determination has been made.

**CODE OF PRACTICE**

This campaign is being organised in accordance with the existing Code of Practice ‘Appointment to Positions in the Civil Service and Public Service’ published by the Commissioners for Public Service Appointments (CPSA).
CONDITIONS OF SERVICE

TENURE
This position will be offered on a 5-year Fixed Term contract basis.

SALARY AND PAYMENT ARRANGEMENTS
The Level E salary scale for this position effective from 1st October 2020 is as follows:

- €69,012 to €89,233 (inclusive of two Long Service Increment (LSI1 & LSI 2) which applies after three years and after six years additional service at Max of grade)

Important Note: Candidates should note that entry will be at the first point of the scale and the rate of remuneration, including incremental progression, will not be subject to negotiation and may be adjusted from time to time in line with Government pay policy. Different terms and conditions may apply if you are currently a serving civil or public servant.

Incremental progression will be subject to satisfactory performance.

Payment will be made monthly by Electronic Fund Transfer (EFT) into a bank account of the staff members choice. Payment cannot be made until a bank account number and bank sort code has been supplied to SEAI. Statutory deductions from salary will be made as appropriate.

A staff member appointed will agree that any overpayment of salary or of travel and subsistence may be deducted from future salary payments due in accordance with the Payment of Wages Act 1991. In accordance with that Act, SEAI will advise the staff member in writing of the amount and details of such overpayment and give at least one week’s notice of the deduction to take place and will deduct the overpayment, at an amount that is fair and reasonable having regard to all the circumstances, within six months of such notice in accordance with the Act.

LOCATION
The place of work for the Programme Manager - Commercial Retrofit will be based at Three Park Place, Hatch Street Upper, Dublin 2. D02 FX65, Ireland though you will be working from your home temporarily in line with current Covid-19 measures.

As an Employer SEAI offers flexible and family-friendly working policies including some opportunities for remote working. Please note, successful candidates may request flexible working opportunities, however, this is at the discretion of the employer and decided in line with the business needs of the organisation, and on a case by case basis.

SEAI reserves the right, at its discretion, to change working location within reason on any future date.
**PROBATION**

On appointment, the appointee will serve a 10-month probationary period in the post of Programme Manager – Commercial Retrofit in line with SEAI’s Probationary Policy and Procedure. No probation period will be longer than 11 months.

**WORKING WEEK**

Hours of attendance will be as fixed from time to time but will amount, on average, to not less than 43.25 hours per week (37 hours net of rest breaks). Additional hours may from time to time be reasonably required to meet the requirements of the position. No additional payment will be made for extra attendance as the rate of remuneration payable covers any exceptional extra attendance liability that may arise from time to time.

**ANNUAL LEAVE**

The annual leave allowance will be 30 working days a year. This allowance is subject to the usual conditions regarding the granting of annual leave, and it is on the basis of a five-day week and is exclusive of public holidays. Annual Leave is to be taken at a time or times convenient to SEAI.

**OUTSIDE EMPLOYMENT**

The role of Programme Manager - Commercial Retrofit is whole-time, and the appointee must avoid involvement in outside employment/business interests in conflict or in potential conflict with the business of the SEAI. Clarification must be sought where any doubt arises.

**THE ORGANISATION OF WORKING TIME ACT 1997**

The terms of the Organisation of Working Time Act, 1997 will apply, where appropriate, to this appointment. Further information on the conditions of employment will be outlined in the contract of employment for the successful candidate.

**SICK LEAVE**

Payment for absences through illness will apply, during properly certified sick absence, provided there is no evidence of permanent disability for service in accordance with the provisions of SEAI’s sick leave scheme. Sick leave arrangements are subject to any changes arising in the terms and conditions of sick leave in respect of the public service generally.

Staff members paying the Class A rate of PRSI will be required to sign a mandate authorising the Department of Social Protection to pay any benefits due under the Social Welfare Acts direct to SEAI. Payment of salary during illness will be subject to the staff member making the necessary claims for social insurance benefit to the Department of Social Protection within the required time limits.

**SUPERANNUATION AND RETIREMENT**

The appointee will be offered the appropriate superannuation terms and conditions as prevailing in the Public Service at the time of being offered an appointment. In general, an appointee who has never worked in the Public Service will be offered appointment based on
membership of the Single Public Service Pension Scheme (“Single Scheme”). Full details of
the Scheme are at http://www.per.gov.ie/pensions

**Pensionable Age**

The minimum age at which pension is payable is 66 (in line with government guidelines).

**Retirement Age**

Scheme members must retire at the age of 70.

**Pension Abatement**

If the appointee has previously been employed in the Civil or Public Service and is in receipt
of a pension from the Civil or Public Service or where a Civil/Public Service pension comes
into payment during his/her re-employment that pension will be subject to abatement in accordance with the Public Service Pensions (Single Scheme and Other Provisions) Act 2012.

If the appointee was previously employed in the Civil Service and awarded a pension under voluntary early retirement arrangements other than the Incentivised Scheme of Early Retirement (ISER), Department of Health Circular 7/2010 VER/VRS or the Department of Environment, Community & Local Government Circular Letter LG (P) 06/2013 which, as indicated above, renders a person ineligible for the competition.

**Ill-Health Retirement**

For an individual who has retired from a Civil/Public Service body on the grounds of ill-health his/her pension from that employment may be subject to review in accordance with the rules of ill-health retirement within the pension scheme of that employment.

**Pension treatment of Existing Public Servants**

While the default pension terms consist of Single Scheme membership, this may not apply to certain appointees. Full details of the conditions governing whether or not a public servant is a Single Scheme member are given in the Public Service Pensions (Single Scheme and other Provisions) Act 2012. However, the key exception case (in the context of this competition and generally) is that a **successful candidate who has worked in a pensionable (non-single scheme terms) capacity in the public service within 26 weeks of taking up appointment, would in general not become a member of the Single Scheme.** In this case such a candidate would instead, where applicable, be offered membership of the SEAI Pension Scheme and its associated Spouses’ and Children’s Pension Scheme. This would mean that the abatement provisions above would apply, and in addition there are implications in respect of pension accrual as outlined below:

**Pension Accrual**

The Public Service Pensions (Single Scheme and other Provisions) Act 2012 introduced a 40-year limit on total service that can be counted towards pension where a person has been a member of more than one pre-existing public service pension scheme.

**Additional Superannuation Contribution (ASC)**

The appointment is subject to the additional ASC in accordance with the Financial Emergency Measure in the Public Interest Act 2009
Incentivised Scheme for Early Retirement (ISER)

It is a condition of the Incentivised Scheme for Early Retirement (ISER) as set out in Department of Finance Circular 12/09 that retirees, under that Scheme, are debarred from applying for another position in the same employment or the same sector. Therefore, such retirees cannot apply for this position.

Department of Health and Children Circular (7/2010)

The Department of Health Circular 7/2010 dated 1 November 2010 introduced a Targeted Voluntary Early Retirement (VER) Scheme and Voluntary Redundancy Schemes (VRS). It is a condition of the VER scheme that persons availing of the scheme will not be eligible for re-employment in the public health sector or in the wider public service or in a body wholly or mainly funded from public moneys. The same prohibition on re-employment applies under the VRS, except that the prohibition is for a period of 7 years, after which time any re-employment will require the approval of the Minister for Public Expenditure and Reform. People who availed of either of these schemes are not eligible to compete in this competition.

Collective Agreement: Redundancy Payments to Public Servants

The Department of Public Expenditure and Reform (DPER) letter dated 28 June 2012 to Personnel Officers introduced, with effect from 1 June 2012, a Collective Agreement which had been reached between DPER and the Public Services Committee of the ICTU in relation to ex-gratia Redundancy Payments to Public Servants. It is a condition of the Collective Agreement that persons availing of the agreement will not be eligible for re-employment in the public service by any public service body (as defined by the Financial Emergency Measures in the Public Interest Acts 2009 – 2011) for a period of 2 years from termination of the employment. Thereafter the consent of the Minister for Public Expenditure and Reform will be required prior to re-employment. People who availed of this scheme and who may be successful in this competition will have to prove their eligibility (expiry of period of non-eligibility) and the Minister’s consent will have to be secured prior to employment by any public service body.

Declaration

Applicants will be required to declare whether they have previously availed of a public service scheme of incentivised early retirement and/or the collective agreement outlined above. Applicants will also be required to declare any entitlements to a Public Service pension benefit (in payment or preserved) from any other Public Service employment and/or where they have received a payment-in-lieu in respect of service in any Public Service employment.

Other conditions of employment

The above represents the principal conditions of service and is not intended to be the comprehensive list of all terms and conditions of employment which will be set out in the employment contract to be agreed with the appointee.
APPLICATION PROCESS

SEAI invites applications from suitably qualified candidates for this role. Full details of the role are set out in this booklet.

SEAI is an equal opportunities employer and welcomes applications from people from diverse backgrounds and under-represented groups including ethnic minority and people with disabilities.

HOW TO APPLY:

(A) Applications should be submitted in the form of a cover letter (maximum of two pages) demonstrating how the applicant meets the requirement for this role as set out in this booklet together with an up to date Curriculum Vitae (CV).

(B) The cover letter and CV should be sent to recruitment@seai.ie with the job reference SEAI/2021/DS.20 in the email subject line. SEAI will not be responsible for processing applications if applicants fail to use the email this email address and job reference in the email subject line and/or if applications are received after the closing date and date.

(C) Eligibility to Work:

The SEAI has a legal obligation to ensure that all employees are lawfully entitled to work in Ireland. Where applicable and to support a candidate’s application, candidates must submit a valid work permit/visa confirming permission to work in Ireland. Failure to submit the required evidence will result in the application and/or contract of employment being rendered void.

Eligible Candidates must be:

1. A citizen of the European Economic Area (EEA). The EEA consists of the Member States of the European Union, Iceland, Liechtenstein and Norway; or
2. A citizen of Switzerland pursuant to the agreement between the EU and Switzerland on the free movement of persons; or
3. A non-EEA citizen who is a spouse or child of an EEA or Swiss citizen and has a stamp 4 visa; or
4. A person awarded international protection under the International Protection Act 2015 or any family member entitled to remain in the State as a result of family reunification and has a stamp 4 visa or
5. A non-EEA citizen who is a parent of a dependent child who is a citizen of, and resident in, an EEA member state or Switzerland and has a stamp 4 visa

Note in respect of UK citizens: The recently concluded EU/UK Brexit negotiations have confirmed that the longstanding Common Travel Area Agreement between the UK and Ireland remains unchanged post-Brexit. Accordingly, UK citizens remain eligible to work and reside in Ireland without restriction and, as such, to make an application to compete for this competition where they meet all other qualifying eligibility criteria. Further information regarding the Common Travel Area is available here.

(D) All applications will be acknowledged by email within five working days. If you do not receive an acknowledgement within the five working days, please contact Gareth Walker-Ayers at Gareth.walker-ayers@seai.ie

(E) For further information on SEAI, please visit our website at https://www.seai.ie
CLOSING DATE

Your application must be received by noon on Wednesday 14th July 2021. Applications will not be accepted after this time and date.

Candidates should make themselves available on the interview date(s) specified by the Authority and should make sure that the contact details specified on their application form are correct.

SELECTION PROCESS

SEAI will be undertaking a competency-based selection process in identifying suitable candidates for the role of Programme Manager – Commercial Retrofit. The selection process may include shortlisting of candidates, on the basis of the information contained in their application, other tests or exercises that may be deemed appropriate, and/or a competitive interview which may include a presentation.

Psychometric testing may be required for candidates, who are successful in the initial screening process, prior to or post being invited forward for interview. An interview process will be held with a selection board comprised in accordance with SEAI arrangements for posts at this level. Please note interviews may be held remotely using Video-Conferencing software or other tools.

Candidates are not permitted to use any type of recording equipment at any stage of the selection process unless written permission has been provided in advance of the process. This applies to any form of sound recording and any type of video recording, whether including sound recording or not, and covers any type of device used for these purposes.

DEEMING OF CANDIDATURE TO BE WITHDRAWN

Candidates who do not attend for interview or other tests when and where required, or who do not, when requested, furnish such evidence, as the SEAI require in regard to any matter relevant to their candidature, will have no further claim to consideration.

FEEDBACK

Feedback will be provided to applicants on written request.
GENERAL INFORMATION

CITIZENSHIP
The SEAI has a legal obligation to ensure that all employees are lawfully entitled to work in Ireland. Where applicable and to support a candidate’s application, candidates must submit a valid work permit/visa confirming permission to work in Ireland. Failure to submit the required evidence will result in the application and/or contract of employment being rendered void.

Eligible Candidates must be:
1. A citizen of the European Economic Area (EEA). The EEA consists of the Member States of the European Union, Iceland, Liechtenstein and Norway; or
2. A citizen of Switzerland pursuant to the agreement between the EU and Switzerland on the free movement of persons; or
3. A non-EEA citizen who is a spouse or child of an EEA or Swiss citizen and has a stamp 4 visa; or
4. A person awarded international protection under the International Protection Act 2015 or any family member entitled to remain in the State as a result of family reunification and has a stamp 4 visa or
5. A non-EEA citizen who is a parent of a dependent child who is a citizen of, and resident in, an EEA member state or Switzerland and has a stamp 4 visa

Note in respect of UK citizens: The recently concluded EU/UK Brexit negotiations have confirmed that the longstanding Common Travel Area Agreement between the UK and Ireland remains unchanged post-Brexit. Accordingly, UK citizens remain eligible to work and reside in Ireland without restriction and, as such, to make an application to compete for this competition where they meet all other qualifying eligibility criteria. Further information regarding the Common Travel Area is available here.

Normal rules of the Public Service will apply as regards eligibility. In the case of the Incentivised Scheme for Early Retirement (ISER), one of its conditions at paragraph 12 of Circular 12/09 debars retirees from the Public Service under that Scheme from applying for another position in the Public Service. Therefore, such retirees cannot apply while the above restrictions continue in force.

REFERENCE CHECKS
Please note that any offer of employment made to a successful candidate will be subject to satisfactory reference verification and satisfactory verification of academic and professional qualifications.

SECURITY CLEARANCES
Please note that Garda Clearance will be required for this position. If you have resided / studied in countries outside of the Republic of Ireland for a period of 6 months or more, you must furnish a separate Police Clearance Certificate from each country stating that you have no convictions recorded against you while residing there.

It is YOUR responsibility to seek security clearances in a timely fashion. The successful candidate cannot be appointed without this information being provided and being in order.

CONFIDENTIALITY
Candidate confidentiality will be respected at all stages of the recruitment process. Applicants should however note that all application material will be made available to those with directly responsibility for the recruitment process in SEAI.

Please note that information provided by you as part of your application may be used as part of our diversity, equality and inclusion metrics in relation to this campaign.

GARDA VETTING
SEAI is set up with a Registered organisation for Garda Vetting purposes. You may be asked to make an application to be vetted.

LEGAL COMPLIANCE

EXPENSES
SEAI will not be responsible for any expense, including travelling expenses, candidates may incur in connection with their candidature.

CANVASSING
Canvassing will result in disqualification from the competition.
GDPR Privacy Statement- Recruitment Process

Purpose of Processing

SEAI conducts a competency-based recruitment process to fill vacancies within the organisation. To complete this, interested individuals are asked to submit a CV and Cover Letter for assessment by the interview panel. For the successful candidate, some of the information provided will form the basis of the contract of employment (e.g. address).

Legal Basis for Processing

- Necessary for performance of a contract or to enter into such a contract
- Compliance with legal obligation (Terms of Employment Information Act)
