## SEAI Values

### Passionate

We are enthusiastic about our role in working towards a sustainable energy society. We channel our passion and commitment into the way we operate to ensure that we will deliver for all of Irish society

### Courageous

We understand the scale of Ireland's energy challenge and accept our role in meeting this challenge. We understand that every one of us has a part to play in delivering the energy changes that Ireland needs.

### Innovative

We know that existing technologies and processes alone will not allow us to realise a fully sustainable energy society. We are continually learning, seeking new solutions, and constantly adapting to meet the demands of our fast-changing environment.

### Trusted

We appreciate the trust placed in us by citizens, communities, business and Government. Without it we could not deliver on these objectives. We respect this trust and seek to maintain it by obtaining transparently, working with integrity, holding ourselves accountable and functioning independently.

### Experts

We recognise the importance that technical expertise lays in achieving a sustainable energy future. We seek to further enhance this expertise within SEAI through research, critical thinking, consultation, listening, analysis and delivery.

### Collaborative

We will not succeed by operating in isolation. We actively look to work with all those in Irish society; listening to ideas and concerns, incorporating feedback and looking to support every individual, community and business in Ireland to be a part of the sustainable energy revolution.
