

**Go through the different rooms of the house
and circle the ways that Guzzler is using energy.**

**How many things can Guzzler
switch off to save energy?**

I have counted things

**Can you count the number
of ways Guzzler could save
energy in the bathroom?**

I have counted ways

**Can you help Guzzler to spot the things that are using
wind energy by colouring them in green and then
colour the rest of the picture in?**
