Explanatory Notes

- **Application ID:** provided automatically by the application system
- **Name:** the name assigned by the applicant
- **Date received:** the date on which application parts A and B are successfully uploaded to the application system

Status Codes

- **Under Evaluation:** meaning application received and with SEAI for decision
- **Approved and offered:** meaning SEAI has fully approved the application and requested the remaining documents from applicant so project can commence
- **Committed:** all documents are in place and applicant has accepted the grant offer
- **Evaluation Suspended:** Insufficient details SEAI are awaiting clarifications
- **Unsuccessful:** project evaluation was unsuccessful, applicant may revise or resubmit

Applicants will be able to see from the date received / decision dates if their application falls within typical approval cycles.
