You can update the following:

- MPRN – *update if unknown at start of survey*
- BER Number
- Address
- Eircode

- When you update the MPRN, the MRSO MPRN database via NAS is searched and the address fields are updated with any match.
- If a BER was published using the MPRN, the address will be found.
- If the address is correct, select the address.

2. How to Edit Survey Details

The screenshot shows the 'seai' software interface for a survey named 'DEAP4'. The 'FLOORS' tab is active, displaying a table of floor details. A red box highlights the gear icon in the top right corner, with a red arrow pointing to it and the text 'Edit Survey Details'.

3. How to Copy a Survey

The screenshot shows the seai software interface for a survey named 'DEAP4'. The top navigation bar includes a user profile icon, the seai logo, the survey name, a location pin, and several action icons: edit, settings, copy (highlighted with a red box), delete, and a share icon. Below the navigation bar, there are tabs for 'FLOORS', 'ROOFS', 'WALLS', 'ROOMS', 'DOORS', 'WINDOWS', and 'GLOBAL FACTORS'. The main content area displays various metrics and a table of floor data. A 'Copy Survey' dialog box is open in the foreground, featuring a blue header with a close button, a text input field for 'Description *', and 'CANCEL' and 'SAVE' buttons at the bottom.

4. How to Delete a Survey

The screenshot shows the seai software interface for a survey titled 'DEAP4 > Survey'. The top navigation bar includes the seai logo, the survey name, and a location '3 The Street(copy)'. A red box highlights the delete icon (trash can) in the top right corner, with a red arrow pointing to it and the text 'Delete Survey'.

The main content area displays various metrics and a table of floors. A confirmation dialog is open in the center, asking 'Are you sure you wish to delete this survey?' and 'This will completely delete all information relating to this survey, including all evidence'. The dialog has 'NO' and 'YES' buttons.

Storey	Type	Description	U-Value [W/m ² K]
