**Please Note:**

- i. Purchase Orders are inclusive of VAT where appropriate.
  - ii. Suppliers subject to Withholding Tax will have it deducted at point of payment which may decrease the amount actually paid to under €20,000.
  - iii. Penalty Interest may be added at point of payment for late payments over 15 days (or whatever is agreed with the supplier) which will increase the payment.
- In addition, if the penalty interest amount calculated goes over €125 it is then subject to DIRT.
- iv. Although a Purchase Order may have been raised it is possible that no payment has been made yet; in that case 'N' would appear in the Paid column or it may have been partially paid and in such case a "P" would appear in the Paid column.
  - v. The report includes payments for goods or services and does not include grants-in-aid, reimbursements etc.
  - vi. Some Purchase Orders may be excluded if their publication would be precluded under Freedom of Information legislation.
